Thank you for your interest in our High School summer mission trip to NYC. Our mission is to staff C.L.U.E. (Children Living the Urban Experience) Camp, at two locations, one in Manhattan at Metro Baptist Church and the other in Crown Heights, Brooklyn at Greater Restoration Baptist Church. C.L.U.E. camp is a Christian day camp for local neighborhood children. During the day children will participate in games, songs, bible studies and field trips. Our Second Baptist group is responsible for leading each camp at each site.

Because of the unique character of this mission trip's requirements and setting, it is imperative that we take a group of students and adults who are mature and committed enough to handle the week's challenges. We are looking for student leaders who are able to work long hours and handle a wide variety of tasks. We are also limited in the total number we are able to take on this trip.

For these reasons, we are not able to open this trip up to everyone. In order to take the strongest group we can, we ask that all interested students complete this application in order to communicate to us why this trip will be important to you and what you hope to gain from this experience.

Written Portion

In 1-2 paragraphs, (on a separate sheet of paper – preferably typed) please answer the following questions –

What is your present and past involvement with Second Baptist Church? Why are you interested in participating in this mission trip? What are your expectations for this trip experience? What are some of the gifts you feel you would bring to this group experience?

After the application deadline, our C.L.U.E. Camp directors will meet with Welford and review all applications.

All applicants will be notified by **February 29th**.

We hope that you understand the unique nature of this trip and our reasons for choosing this particular selection process. All applications will be thoughtfully and prayerfully considered and we hope that all who are not selected are graciously and respectfully understanding.

Commitment

By signing this application I (the student) understand that preparation for this trip is crucial and promise to attend the mission trip meetings and fulfill all of the requirements for participation.

I agree to participate fully in the mission trip regardless of what obstacles we may encounter. I understand that mission work is hard and I promise to give of my whole self, allowing Christ to work through me. I fully welcome all of challenges and opportunities this trip will present.
